

SCHOOL-BASED COUNSELING

Available at all schools in the Wyomissing Area

School District

Contact your school counselor for help getting started or feel free to reach out to our office directly for help at:
610-396-5094

- Counseling sessions occur during the school day, in our private office within the school building.
- Student's privacy is protected. Participation in counseling is always confidential!
- The therapists work collaboratively with the school when scheduling sessions, to ensure the student's academics are not negatively impacted.
